APPLICATION PROCEDURES FOR OBTAINING FORM I-20

IMPORTANT

* You must read the following information before entering the United States.*

- **You must be admitted to Borough of Manhattan Community College.** To enter the United States with any visa other than F-1, could be considered fraud and can negatively affect your immigration status in the United States.
- **If you have a current B-1/B-2 visa, do not come to the United States with it.** If you apply for a new visa other than F-1 Student, you must state clearly on your visa application that you intend to be a student and ask for a "PROSPECTIVE STUDENT" notation on your visa. If you do not do this, and enter the United States in the wrong status, you will not be eligible to change to F-1 student status. Borough of Manhattan Community College International Student Services Office cannot assist you in making an application for a change.

**ATTENTION, STUDENTS FROM:**

Andorra, Australia, Austria, Belgium, Brunei, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Japan, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Monaco, The Netherlands, New Zealand, Norway, Portugal, San Marino, Singapore, Slovakia, Slovenia, South Korea, Spain, Sweden, Switzerland, and the United Kingdom.

Do not enter the United States without a visa. Though citizens of your country are permitted to visit the United States without applying for visas at consulates or embassies, entry without visa restricts you to staying as a **tourist or business visitor only and only for 90 days.**

If you enter without a visa, you will not be able to stay in legal status after 90 days under any circumstances. **You cannot extend your permission to stay and you cannot change to student status.**

**What is the I-20AB Form?**

This is the certificate of Eligibility for F-1 (Student) Status. The Form I-20AB may be issued only to students:

1. who have been admitted to Borough of Manhattan Community College for a full-time program,
2. who plan to register for a full-time course of study each semester at BMCC and
3. provide sufficient financial support to live and study in the United States for two years without employment
**Who needs to obtain the I-20AB Form?**

There are strict United States government regulations which decide who may receive Form I-20AB.

Students who are outside the United States must have the Form I-20AB in order to obtain the F-1 visa to enter the U.S. and attend school.

**OR**

Students who are currently in the United States may be eligible to receive the Form I-20AB. Although some students are not eligible to receive this form, this does not mean that they cannot attend BMCC. If you are not sure whether or not you are eligible to receive this form, please ask your International Student representative.

**What do I do if I am an F-1 student INSIDE the United States?**

If you are an F-1 student at another school, you do not need the Form I-20AB before coming to BMCC. Immigration regulations state that you must submit your financial documentation to BMCC and sign your new I-20AB form no later than the 15th day of classes at BMCC.

**DO NOT TRAVEL OUTSIDE THE U.S. ON YOUR FORMER SCHOOL’S I-20.** You will lose your legal status if you use the I-20AB of your old school and then do not return to classes there.

Students will not be permitted to travel until they are registered for classes at BMCC. If it is imperative that you travel, you must first get the required financial papers to the International Student Services so that a BMCC I-20AB travel form can be issued.

**What do I do if I am an international student OUTSIDE of the United States?**

1. **How to get an F-1 visa at your U.S. embassy or consulate?**

   You cannot be issued an F-1 visa without the Form I-20AB. Do not worry about the visa at this time. **The most important thing to do is to send the BMCC International Student Services acceptable proof of financial ability.** When the financial papers are approved, BMCC will send you the Form I-20AB and your original financial papers, which you must have to apply for your visa.

2. **What is the F-1 visa?**

   **Your visa is only your travel document.** It does not give you permission to enter the United States. When your visa is issued, the embassy or consulate will return the Form I-20AB to you in a sealed envelope, which is to be presented to the United States Immigration at the port of entry. The permission to enter the United States is given at the port of entry on a document known as the I-94, a small white card, which will be stapled inside your passport. The Immigration Inspector will stamp your I-20AB, take pages one and two, and return pages three and four to you. **DO NOT LOSE YOUR PORTION OF THE FORM I-20AB.** It is a very important document.

   **If you have an F-1 visa from a previous visit to the U.S. and it has not expired, you may travel directly to the United States with a new BMCC Form I-20AB without visiting a United States embassy or consulate.**
3. **Can I use another visa to enter the U.S.?**

If you have another kind of visa from a previous visit, do not use it to enter the United States.

You must wait for your Form I-20AB and apply for an F-1 visa. Do not get impatient and apply for a B-2 visitor (pleasure) visa to enter the United States. The U.S. government can request information from the school concerning when you applied for admission and when you were accepted. To enter the U.S. with a B-1 or B-2 visa when you intend to be a student is fraudulent. If you are found to have committed fraud, you can be denied permission to enter the U.S. for the rest of your life.

**DO NOT ENTER THE U.S. UNDER THE VISA WAIVER PROGRAM, WHICH PERMITS ONLY A 90-DAY VISIT AND FOR WHICH AN EXTENSION IS PROHIBITED BY LAW.**

**How to obtain the I-20AB form?**

To receive the I-20 form, you must complete the attached forms accurately and return them to the International Student Office with the required documents supporting the financial ability of yourself and /or your sponsors.

**Acceptable documents must be submitted two weeks in advance of issuance of an I-20AB form.**

**DEADLINES:**

</tr>
</thead>
<tbody>
<tr>
<td>Fall semester</td>
<td>June 30</td>
</tr>
</tbody>
</table>

**Unacceptable documents will be rejected and returned. Documents must be completed exactly as indicated below. Please read these instructions carefully. Almost half of documents received are unsatisfactory because prospective students or sponsors ignore indicated instructions.**

**Why you need to prove financial ability?**

- There is rigorous U.S. government regulations set to decide who may receive the I-20AB form. Consequently, BMCC’s International Student Office must be strict about financial documentation.

- U.S. embassies and consulates are very demanding and we want to ensure that prospective students are not denied visas because financial standards are not fully met.

- The BMCC International Student Office strongly encourages families to think carefully about the real costs of studying and living in New York and make sure that students’ needs are provided for. An unrealistic budget could result in pain and suffering for prospective students.

**What rules should students and sponsors follow before an I-20AB form is issued?**

1. **Submit proof of sponsor’s income.**

   - Do not expect bank statements to prove the financial ability of the sponsor.
   - Bank statements are very poor evidence of financial ability unless the amount of money is very, very large.
   - Proof of sponsor’s income should be on the employer’s letterhead, on income tax receipts and forms or estimated by a bank when the sponsor is a self-employed businessperson.
   - A company’s income will not be accepted as proof of a sponsor’s income. BMCC must have an official statement of the actual salary paid to the owner/sponsor.
2. **Documents from banks or anyone else, which state that a sponsor has “enough” or “sufficient” funds to support a student will not be accepted.**

   - Only the College can decide how much is enough and this is based on federal guidelines.
   - Financial papers must state actual dollar amounts in *U.S. currency*. However, BMCC will accept documents which indicate that the income or savings are “in the high five figures (or low six figures, etc.) in U.S. dollars”.

3. **Do not send papers separately.**

   - All financial papers must be submitted together.
   - Partial documentation will be considered incomplete and will be returned.
   - A designated family member should submit papers.

4. **Each sponsor must submit an affidavit stating exactly what is to be provided.**

   - All questions on affidavit forms must be answered.
   - *The sponsor in the presence of a notary public must sign all affidavits.*
   - The notary public must sign and the official seal of the notary public must be on the affidavit.
   - Affidavits, which have been changed in any way, must have the signature of both the sponsor and the notary public on each change. It is a crime to change a sworn statement.

There are notaries at all U.S. embassies and consulates. In the U.S. many local pharmacists, lawyers and accountants are notaries. There are notaries in all countries though names for them may be different. They are officials licensed by the national or regional government to take sworn statements for courts of law or to witness contracts or property deeds.

5. **Sponsors should not promise too much money.**

   - Many sponsors seem to believe that, the more money they promise to give to the student, the more likely we are to issue the I-20AB form. However, the opposite is true.
   - The second most common reason why BMCC must reject financial documents is that the sponsor promises to provide more support than his/her income permits.
   - Sponsors should promise what they truly intend to give.

6. **Do not submit old documents.**

   - Both the College and the U.S. Government agencies require new documents (less than six months old).
   - Older documents will be rejected and returned.
7. **Do not send copies.**
   
   - Except for tax documents, leases and deeds, all papers must be originals.
   - Copies are rejected and returned. Originals will be attached to I-20's issued for visa applications and returned to students who are outside the U.S.
   - *BMCC will not accept documents sent by FAX.*

8. **It is not important how many sponsors there are, whether or not they are U.S. citizens or where they live.**
   
   - It is usually easier to get an F-1 visa when at least part of a student’s support comes from outside the U.S.

9. **Students can sponsor themselves, either partly or in full.**
   
   - No affidavits are needed.
   - Recent bank statements in the student’s name must be provided and the amount of money in the bank account must be divided by two because BMCC has two-year programs.

10. **Scholarships may be used to qualify for the Form I-20AB.**
    
    - We must have an award letter from the private or government scholarship board stating how much money is to be given and for how many years.

11. **Free Room and Board can be used to support a student.**
    
    - When a family member in New York provides free room and board, the student needs far less in cash from other sponsors.
    - Affidavits of free room and board must be sent with a copy of the property deed or rental lease.
    - Such affidavits will not be accepted if the place to live is too small or too far away from the college.

12. **Every dollar of support must be proven by student’s bank statements, proof of the sponsor’s income, or a lease or deed.**
    
    - Each dollar not provided by the student personally must be guaranteed in an affidavit by a sponsor.

13. **All supporting financial documents must be in English.**
    
    - In order to make sure that we approve your financial documents as quickly as possible, we request that you officially translate the documents and that U.S. currency is used.

Students planning to bring a husband, wife, or child/children in an F-2 status must show an additional $5,000 per year to support the spouse, and $3,000 per year for each child.

**PLEASE NOTE:**

- *Please be advised that the above estimate is per year for each academic year of the Associate Degree. Therefore, the sponsorship documentation must show the minimum of $22,707.90 per year for 2 years of study at the Borough of Manhattan Community College.
- The issuance of an I-20AB Form does not guarantee the approval of the F-1 (student) status by the U.S. Immigration and Naturalization Office or the approval of the F-1 student visa by the U.S. embassy or consulate office in your home country.
- **Unacceptable financial documents will be rejected and returned to you.** Documents must be completed exactly as indicated. Please read instructions carefully. Almost half of received documents are unsatisfactory because students or sponsors do not follow the indicated instructions.
