STEP #1: Go to https://forms.bmcc.cuny.edu

NOTE: BMCC Portal is an online all-access point for applications and resources. Through the BMCC Portal, you can gain access to the College’s Online Forms, Microsoft Office 365, student email, Federal Work Study information, Library Databases, and the Co-Curricular Transcript.

For students, the username is FirstName.LastName@stu.bmcc.cuny.edu. The password and username used for BMCC Portal login can also be used to log into Wi-Fi on campus, iCafé computers, and BMCC Library Database. Your BMCC Portal password is also your student email password.

If you just created an account, you may need to wait approximately 48 hours before having access to the Award Letter Appeal Form.

STEP #2: Sign into BMCC Portal using your “Username” and “Password”.

STEP #3: Click on “Financial Aid Office Forms” tab.
STEP #4: Click on “Award Letter Appeal Form” and complete all of the fields before submitting.

Step #5: Once you’ve successfully submitted the request, please access your BMCC email for a confirmation notice from workflow@bmcc.cuny.edu. If you do not receive a confirmation, it means your request did not go through and you must review all of the red highlighted items on the application and resubmit.

If you have any issues logging into your BMCC Portal account, please contact:
