We have exciting news to share with you about the summer Immersion program, as well as a new spring Immersion program that we will be offering this year! This spring and summer BMCC will offer several free programs to help eligible students complete their remedial requirements prior to the start of the fall 2016 semester. Please see below a description of the programs and the eligibility criteria.

Spring 2016 Immersion Workshop Program:
Students who previously took the ACR 95, ENG 95, ESL 95 and MAT 8 courses AND are not enrolled in those courses in spring 2016 will have an opportunity to complete their developmental requirement during an intensive spring break program. Workshops will be offered Monday, April 25, 2016 through Friday, April 29, 2016. Students can register in the Academic Advisement & Transfer Center from Sunday, April 3, 2016 through Saturday, April 9, 2016 in the Academic Advisement & Transfer Center, room S108.

Summer 2016 Immersion I Workshop Program
The Summer 2016 Immersion I workshops will be offered to students who previously took ACR 95, ENG 95, ESL 95, MAT 8, MAT 41, MAT 51 and MAT 56 but do not successfully complete their developmental requirement. The workshops will be offered from June 6, 2016 through June 21, 2016, Monday through Thursday in three sessions (morning: 8:30am-12:30pm, afternoon: 1:00pm to 5:00pm or evening: 5:30pm-9:30pm). Registration for this program will be held in person on Tuesday, May 24, 2016 at 10:00am, 1:00pm or 5:30pm in Room N452.

Basic Skills English Lab Session I Tutorial Program:
Students enrolled in the ENG 95 course in the spring 2016 semester who do not pass the CAT-W at the end of the semester but are close to passing may be recommended by their English professor to participate in the program. To register, students must bring the recommendation form provided by their instructor to the Basic Skills English Lab, room S500, by the deadline indicated on the form. The tutorial program will run from June 6, 2016 through June 17, 2016.

Basic Skills English Lab Session II Tutorial Program:
Students enrolled in the ENG 95 course in the spring 2016 semester who do not pass the CAT-W at the end of the semester but are close to passing may be recommended by their English professor to participate in the program. In addition, students who have previously taken ENG 95 two or more times, but did not pass the CAT-W, will be allowed to participate. To register, students must bring the recommendation form provided by their instructor to the Basic Skills English Lab, room S500, by the deadline indicated on the form. The tutorial program will run from June 6, 2016 through July 19, 2016.

ESL Lab Tutorial Program:
Students enrolled in the ESL 95 course in the spring 2016 semester who do not pass the CAT-W at the end of the semester but are close to passing may be recommended by their English as a Second Language professor to participate in the program. To register, students must bring the recommendation form provided by their instructor to the ESL Lab, room S500, by the deadline indicated on the form. The tutorial program will run from June 6, 2016 through June 21, 2016.

Reading Lab Tutorial Program:
Students enrolled in the ACR 95 course in the spring 2016 semester who do not pass the ACT COMPASS at the end of the semester but are close to passing may be recommended by their Academic and Critical Reading professor to participate in the program. To register, students must bring the recommendation form provided by their instructor to the Reading Lab, room S500, by the deadline indicated on the form. The tutorial program will run from June 6, 2016 through June 17, 2016.

Summer 2016 Immersion II Workshop Program
The Summer 2016 Immersion workshops are offered to incoming and returning students who need to satisfy a developmental requirement. The immersion workshops will be offered in the following subjects: ACR 94, ACR 95, ENG 88, ENG 95, ESL 94, ESL 95, MAT 8, MAT 12, MAT 14, MAT 41, MAT 51 and MAT 56. Please note: Students who wish to enroll in MAT 56 must have earned 30 or fewer credits AND not have previously taken this course. The workshops will be offered from June 27, 2016 through August 4, 2016, Monday through Thursday in three sessions (morning: 8:30am-12:30pm, afternoon: 1:00pm-5:00pm, or evening: 5:30pm-9:30pm). Registration for this program will be held in person on Wednesday, June 15, 2016 at 10:00am, 1:00pm OR 5:30pm in the Lower Lobby of Theatre I.

Project Advance:
Project Advance is offered to students enrolled in a MAT 8, MAT 12, MAT 14, MAT 41, MAT 51 or MAT 56 course in the spring 2016 semester who do not pass the course but are close to passing. Students must be recommended by their spring 2016 math professor ONLY. To register, students must bring the recommendation form provided by the instructor to the Math Lab, room S535, by the deadline indicated on the form. The tutorial program will run from July 18, 2016 through August 4, 2016.
