

BOROUGH OF MANHATTAN COMMUNITY COLLEGE

The Basic Skills English Lab

WORD CHOICE EXERCISE:

Instructions: In the following passage, cross out the wrong word each place you have a choice. Read each sentence out loud with each choice, if you are not sure of the correct word.

I when/went to J.F. Kennedy H.S. in the Bronx, were/where I graduated in the top half of my class. I don't won't/want to brag, but I was a pretty good student. Now at BMCC, the work is mush/much harder, and although I enjoy being/been here and want/won't to do my best, sometimes I really get discouraged.

I could of/could have gone out to look for a full-time job after high school, rather then/than come to college, but my mother says/said that it would be better if I registered at BMCC instead.

I'm glad. I took my mother's advise/advice, because after seen/seeing so many other students who made the same decision, I no/now/know it was the right one. We are all struggling together to make a better life for ourselves/ourselves and if we keep our goal in mind/mine, I now/know we will make it.
