11. Reviewed minutes from meeting #6

12. New business

- Follow up to the request to use the Music practice rooms and possibly ‘certify’ students to use the rooms.
  - i. Professor Howard Meltzer, Department Chair, responded that the rooms are for students registered in the courses or departmental ensembles. This is consistent with other CUNY schools. The CLT and College Assistants provide access to the practice rooms 9 to 5 during weekdays. They lend instruments to students for use in the practice rooms at those hours. They aren't always able to accommodate the students in our classes because the rooms are not open in the evening or weekend. The anticipated New Music major will most likely increase the need for the rooms by students in the major.

13. Old Business

- We reviewed a sample tuition bill to show how the fees were presented on the student bill.
