

**TRANSFER ARTICULATION AGREEMENT**  
**between**  
**BOROUGH OF MANHATTAN COMMUNITY COLLEGE**  
**and**  
**RENNES SCHOOL OF BUSINESS, FRANCE**

The intent of this articulation agreement is to define the procedures for seamless transfer between Rennes School of Business (hereinafter Rennes SB) and Borough of Manhattan Community College of the City University of New York (hereinafter BMCC). Both entities agree to mutual cooperation in establishing and maintaining articulation for their respective programs:

- 1) BMCC Associate in Science degrees in Business Administration, Digital Marketing, and Financial Management and Associate in Applied Science degrees in Business Management and Small Business Entrepreneurship with its campus located at 199 Chambers Street, New York, NY 10007.
- 2) Rennes SB International Bachelor Program in Management with its campus located at 2 rue Robert d'Arbrissel, 35065, Rennes, France.

The agreement is intended for students having completed areas an associate degree in one of the aforementioned programs, and who wish to transfer to Rennes SB and obtain Rennes SB International Bachelor Program in Management Degree.

Firm arrangements between departments and institutions provide the opportunity for these students to obtain a complete Bachelor degree through a program-to-program agreement, at the outset of their community college education.

- 1) Rennes SB agrees to accept all business/business-related credits, which should represent 45 US credits of the associate degree (see Appendix A). Up to 25 of general education credits will also be accepted.

If a student has only completed between 35 and 45 US business-related credits, an online Business & Management Preparation course must be completed before the start of the semester. This program will help students acquire the understanding of concepts in the following five key areas of Business & Management: Marketing; Strategy & Innovation; Finance & Accounting; Supply Chain Management; and Organizational Behavior & Human Resource Management.

- 2) Students who have completed their associate degree at BMCC may transfer to Rennes SB's International Bachelor Program in Management with senior standing provided that the student has completed all business courses identified in Appendix A, with a cumulative GPA of 3.00 or higher.
- 3) Students who earn an associate degree in one of the aforementioned programs at BMCC are guaranteed admission to the last and final year of the International Bachelor Program in Management if all prerequisites are met.
- 4) After completing the International Bachelor Program in Management, students may apply to one of the Master Programs in Management/Business offered at Rennes SB for only one year, should they wish to pursue their studies (2+1+1).

- 5) Under this agreement, the tuition fees of the last year of the International Bachelor Program in Management amount 9000 euros for the whole degree for the 2020 - 2021 cohort.

Rennes School of Business is eligible to receive students with Federal Aid from the US through Federal Direct Loan Program.

- 6) BMCC will inform prospective students of the 2 + 1 and 2+1+1 opportunities and will promote them on their website. When feasible, BMCC will provide Rennes SB with the contact information of students interested by this articulation agreement.
- 7) BMCC and Rennes SB will assign a staff member to serve as liaison, to assure maintenance of communication between the two institutions. Representatives from both institutions will consult, whenever changes in policy or curricula arise, which may affect students transferring under the terms of this agreement.

This agreement will be in effect initially for three years, beginning fall 2020 with a review every year by both parties. Any revisions the parties deem necessary must be evidenced in writing and signed by the authorized officials of each institution. The agreement may be terminated by either party for due cause and after adequate notice of not less than six months, if deemed necessary by either party.

**APPENDIX A**

<b>Degree program for which students are considered at RSB</b>	<b>Year of Entry at RSB</b>	<b>Degree program at BMCC</b>	<b>Concentration / Pathway / classes students MUST complete at BMCC</b>	<b>GPA RSB requires for consideration of transfer/progression applications from BMCC</b>
