The Department of Business Management offers the Associate of Science (A.S.) in Financial Management that provides students with a solid foundation to pursue bachelor degrees in finance, business or financial economics. The curriculum addresses all areas that BMCC identifies as needed to obtain an integral general education via the development of critical thinking, effective communication, and problem solving skills.

**Specialized Skills**
- Critical Thinking
- Problem Solving
- Detail Oriented
- Negotiation
- Team Work

Specialized Skills may be obtained or enhanced during the course of the student’s learning experience. Specialized Skills are defined and provided by NACADA: The Global Community for Academic Advising

www.nacada.ksu.edu
