### FOOTNOTES
1. CHE 118 is an alternate option. Students will need to take this course during a summer session in order to graduate within 2 years.
2. CHE 118/121 must be passed in order to take BIO 425.
3. Students are required to either take EMC 100 or get credit for life experience if certification has already been obtained.
4. BIO 425 must be passed in order to take BIO 426.
5. SPE 102 is an option for non-native speakers of English.
6. Students must first pass EMC 101, EMC 102 in order to take EMC 201 and EMC 202.
7. Students must first pass EMC 101, EMC 102 and EMC 301 in order to take EMC 302.
8. Students must first pass EMC 201, EMC 202 and EMC 302 in order to take EMC 303.
9. A Writing Intensive course is needed to graduate.
