### Footnotes

1. Elementary Algebra (MAT 51) must be taken and passed in order to take MAT 104 and CHE 121.
2. ENG 100.5 is a combination of Intensive Writing and English Composition. Students must be exempt reading (ACR) in order to take this course. Once this course is passed, students will be able to move on to ENG 201.
3. CHE 118 is an alternate option.
4. CHE 118/121 must be passed in order to take BIO 425.
5. Students are required to either take EMC 100 or get credit for life experience if certification has already been obtained.
6. SPE 102 is an option for non-native speakers of English.
7. BIO 425 must be passed in order to take BIO 426.
8. Students must first pass EMC 101, EMC 102 and EMC 301 in order to take EMC 302.
9. Students must first pass EMC 201, EMC 202 and EMC 302 in order to take EMC 303.
10. A Writing Intensive course is needed to graduate.

### Total: 61 Credits
