---

**Footnotes:**

1. ENG 100.5 is a combination of Intensive Writing and English Composition. Students must be exempt reading (ACR) in order to take this course. Once this course is passed, students will be able to move on to ENG 201.
2. MAT 150.5 is a combination of Elementary Algebra and Introduction to Statistics. MAT 150.5 will satisfy the Mathematical & Quantitative Requirement.
3. A total of 3 credits is required. Some credits will be satisfied by taking STEM variants in the common core.
4. SPE 100 is an option for non-native speakers of English.
5. GER students are strongly encouraged to take BIO 111 to fulfill the Life and Physical Sciences requirement.
6. A grade of B or better in HED 110 is required in order to take HED 270. PSY 210 is an alternative course.
7. A total of 3 courses is required. Some credits will be satisfied by taking STEM variants in the common core.
8. HUM 301 is a prerequisite to this course.
9. HED 310 is only offered during the fall semester.
10. Please consult with an academic or faculty advisor.
11. A grade of B or better in HED 100 or HED 110 is required in order to take HED 270. PSY 210 is an alternative course.
12. A grade of B or better in HED 300 is required in order to take HED 302. HUM 301 is an alternative course. HUM 101 is a prerequisite to this course.
13. HED 301 is only offered during the fall semester.
14. Please consult with an academic or faculty advisor.
15. Select any Creative Expression Pathways course except SPE 100 or SPE 102.
16. A Writing Intensive course is needed to graduate.
