Request for Books-on-Tape

Students requesting books-on-tape must submit a list of classes, professors, and all required textbooks to the Office of Accessibility (OA). Students are advised to submit this list prior to the start of the semester. Books-on-Tape can take up to several weeks to receive. Books-on-tape are available on loan only; for one semester. Students must return books-on-tape at the end of each semester. If necessary, listening equipment is available on loan (see Kokou Doumassi).

Name: ____________________________________________

Student ID #:_______________________________________

Telephone #:_______________________________________

Please provide the following information for each text that you are requesting:

Course & Section: __________________________________

Title: _____________________________________________
