Mathematics Course Guide for STEM and Non-STEM Majors

MAT 8
MAT 12
MAT 14
MAT 41
MAT 51
MAT 56
100-Level Math

STEM = Science, Technology, Engineering and Math Majors (also Elementary Education and some Business Majors)

Notes:
(1) A student who begins on the NON-STEM track and then switches to the STEM track needs to go to the Math Department for advisement.
(2) A student’s initial COMPASS score determines their first Mathematics course.
