

### Pathways Gateway Courses – Business

Pathways Gateway Course	Corresponding Course at BMCC	
	Course Prefix/Number	Course Title
Introduction to Computer Information Systems & Technologies	<a href="#">CIS 200</a>	Introduction to Information Systems & Technologies
Fundamentals of Business Law	<a href="#">BUS 110</a>	Business Law
Introduction to Microeconomics	<a href="#">ECO 202</a>	Microeconomics
Introduction to Macroeconomics	<a href="#">ECO 201</a>	Macroeconomics

Note: Each college with a Business major will offer “Introduction to Microeconomics” or “Introduction to Macroeconomics”, with some colleges offering both courses. Colleges that currently require only one of these courses will accept either course as fulfilling an incoming transfer student’s gateway requirement.
